## Message from the President

### Tight Marking

Over the last few weeks, it has been great to see the clubroom filling up after a game at Allen Hill. The kitchen has been pumping and the bar doing a roaring trade! We now also offer barista coffee during First Kicks on a Saturday morning and are already well over the 100 cups per week mark.

The pent-up demand of 2020 shows no sign of slowing up. Why, you may ask, is this such a big deal – surely just another football club on a Saturday and while that is true, we need to stop and think about where we were this time last year!

What do you remember about lockdown and the stop / start economy of 2020? My own recollection is the number of times we had to write and then rewrite health and safety protocols as we seesawed between levels. Come to think of it – who had ever even heard of social distancing and other 'pandemic phrases' until last year?

Before that, it probably referred to loose marking at a corner kick... So now we are in a 'new normal'. One that feels comfortable and reasonably close to the way we all lived before the pandemic.

We don't need to count people in and out of the clubroom, nor is it table service only. We can shake hands and hug. But like a lot of situations in life we should not forget where we have come from.

Over the next few months, you will see a number of changes around the club as we make improvements and catch up with maintenance. Sean Jones, our Volunteer Coordinator is always on the lookout for extra help, so if you are keen to help, contact Sean on [volunteer@nsu.org.nz](mailto:volunteer@nsu.org.nz)

### WELCOME SPRINGS

Today we welcome Western Springs to Allen Hill. The first game at Seddon Fields resulted in a 3-2 win for our visitors but could easily have been a draw so we are looking forward to a good game today and a chance to catch up with the players and supporters after the game.

Go Shore...

## Message from the Head Coach

Welcome to Chris Zorocic and his Western Springs side. We're playing a team with players that, given the opportunity, can hurt you which was the case in the round 1 game at Seddon Fields. Springs have a good mix of youth and experience, with pace and quality in key areas.

This fixture has produced plenty of goals over the past few years. I can't promise that today but it will certainly be a fixture both sides will be fully committed to given the tightness of the league.

Many thanks to everyone involved with the club who give their tireless effort to make the first team a possible entity. The least we can do to repay the club is with a good performance today.

**Malcolm McPherson**  
Head Coach, Director of Football

**Correction:** In the previous edition our Head Coach was inadvertently shown as Bill Lissington.

Although Bill is now selling autographed copies of the publication, Malcolm McPherson is of course our Head Coach and Director of Football, while Bill is Senior Team Manager. We regret any confusion that this may have caused.

### Our young coaches

We are now over half way through the season, which is great, as the second half is always better!

This season we have utilised a large number of local Takapuna Grammar School and Belmont Intermediate School students in our coaching programme. We are significantly increasing year on year the number of young local coaches we have coaching at NSU.

The coaches are fantastic role models to the even younger players they are coaching. All the young coaches are working extremely hard to develop. Some of the ways include, completing coach education courses, watching and observing sessions, analysing football highlights/videos and designing and planning their own coaching sessions. I have been really impressed with how these young coaches have matured, led and developed the players under their tutelage.

Here is a list of all the young coaches who are currently coaching at North Shore United:
