Message from the President

Recently at Allen Hill, as I stood watching Shore play Auckland City, I couldn't help noticing the crowded deck outside the club as members and friends enjoyed the game and refreshments in the Autumn sunshine, while in the stands there was a definite air of anticipation. Little Wembley was full of children kicking footballs and everyone seemed to be where they wanted to be on a Saturday afternoon.

How different then from our collective experiences of the last 12 months when we lived through lockdowns and the need for robust protocols to keep the country safe. What was evident in 2020 was our resilience and ability to adapt to rapidly changing circumstances, and what is evident now is that while we remain cautious and aware, we have embraced the numerous 'new normals' and not allowed change to dampen our enthusiasm for leisure, sport and life itself. Good on us all, I say!

Today we welcome Bay Olympic to Allen Hill and as a transplanted 'westie' I have followed their various incarnations back to the days of my then local club – Blockhouse Bay.

I wish our visitors well and trust their supporters have an enjoyable trip across the bridge and that they join us for a drink after the game.

I can't end without mentioning the fantastic result against Auckland City. At 2-1 down and with only 10 men early in the second half we could have been forgiven for thinking the worst. But no! Two second half goals to Shore, the winner coming on 80 minutes, gave us a great result that will be long remembered by your correspondent and many other supporters.

Message from the Head Coach

Welcome to Paul Marshall and Bay Olympic. The league is proving to be as expected, teams have the ability to beat anyone on their day. Bay Olympic have proven this already with some excellent results particularly beating Auckland Utd in the early rounds. So we're expecting this to be a tough fixture and one in which we'll need to be fully focused to get a result.

Our last home fixture against Auckland City was an excellent team performance. Going down to 10 men showed the character and resolve the players have and a similar effort is the standard required to get a positive result today.

Enjoy the game.

Malcolm McPherson
Head Coach, Director of Football

Message from the Football Development Manager Auckland City Programme – North Shore United Reserves & Coaches

At the time of writing we are only two days out for the start of the First Kicks, Junior and Community Youth Season start date. It has taken a lot of effort from many people to get to us to this point. I would like to say a massive thank you to our superb club manager Donna Gustafson. She works tirelessly behind the scenes, she's the real engine behind the club, making everything tick smoothly! From renovating coffee machines to replying to 100s of emails a day! So if you do see her around the club in her new NSU polo shirt, please do say thank you!

Big thanks also needs to go to our volunteer convenors who give up their time, without getting paid, to help organise teams and ensuring they are all set for the start of the season. Without these volunteers, we wouldn't have a First Kicks, Junior or Youth programme.

Alex Harbour does an outstanding job overseeing the First Kicks Convenors, sorting out all the first kicks teams ready to go for their games. Phillip McGivern has stepped into the Junior Convenor role this year and has done a tremendous job overseeing the junior grades and grade convenors. He has spent many late nights emailing out parents, training details, season dates etc.

I would also like to mention Johnny Lane and Johanna Melhuish for volunteering again to be grade convenor. You both do an outstanding job and all your hard work is very much appreciated!

Scott Read has shifted roles and migrated into the youth section becoming the Youth Convenor. Again as always, Mr Efficient he is! Super organized, with all teams fully aware of all things ahead. Keiran Spillane has kindly stepped into the Senior Convenor this year and he is doing a great job ensuring all the senior teams are organised and set for the season!

Here is a full list of convenors at North Shore United. If you bump into or know any of these people, please do say thank and even buy them a drink, they deserve it! Without these guys we would not be the club we are! We are definitely in safe hands with all these fantastic people on board.

Enjoy today's game!

Ryan Ward
Football Development Manager
