## Message from the President

Happiness says it all!

Welcoming our visitors from Hamilton today, I realise we are already starting on the second half of the season. What we know in this season of change is that at least two National League spots remain up for grabs, with several teams capable of stepping up to the post season competition.

Rarely am I lost for words, but this week I want the article on girls' football to speak for itself.

The lockdowns and disruptions of 2020 are now well forgotten, as our first kicks, junior and youth teams once again get used to the freedom of friendship and play.

Nowhere is this more evident than in the article by Allister Irving that sums up the joy and excitement of our girls' teams as they take to the grass each weekend. For me, this truly demonstrates why football at all levels is so important as a world game, as are clubs like ours that make it possible for children and adults to play in a structured, supportive environment. This then is the real meaning of "the beautiful game".

To our visitors, fans and players – enjoy the day...

## Message from the Football Development Manager

Welcome Hamilton Wanderers, round two, we go again! The reserves have really improved of late, picking up seven points out of a possible twelve in their last four games. Therefore, they have really kick-started their season, playing some great attacking football!

Today will bring a new challenge hopefully with some great football on display. I am positive that the boys will start round two with the same confidence they finished round one with!

Enjoy today's game.

## **Message from the Female Football Co-ordinator**

### **Female football at the club**

The girls' junior and youth football this season comprises of 7 teams, including two teams for both 10th and 12th grade and one each for the 11th, 13th, and 16th grade. Some of the older teams are continuing with a core group of players, and the resulting friendships have translated into confidence and faster development.

In our last full season, our U16 girls team won every game of their regular season, and their knockout competition. Some of our older girls are also playing for the senior team when needed and are coaching the younger girls' teams. The coaching has been particularly successful, with the younger kids really relating well to older female role models.

### **10<sup>TH</sup> GRADE GIRLS**

Our 10th Grade Girls division has had an incredible increase in numbers this year! We are thrilled to have 23 players, making up two teams registered in this age group. The two teams, Lens and Lille, are lucky to be coached during the week by NSU/TGS high school girls' players.

The high school girls bring a great energy to the younger girls, but the younger girls certainly bring their own energy to the game as well! Stop by the pitch on a Thursday afternoon or Saturday morning and you are likely to hear them from a while away, cheering each other on and having a good old time for themselves! These two teams have bonded already – they are playing good football and making good friendships along the way.

**GIRLS  
10<sup>TH</sup> GRADE**

## 12<sup>TH</sup> GRADE GIRLS

Asked what she loves most about football, Addisyn Smith, a player in the NSU 12th grade girls team 'Espanyol' replied: *"I love to play soccer because it gets me outside running around, gives me the opportunity to make new friends, it challenges me and it's really fun."*

The sentiment that football ticks all the boxes for girls is echoed by team members who *'love running the field and tackling the opposition'* (Alice Gillies) and Celeste Parsons *'loves the sense of achievement'*. Mum to Dana Ramsay from the same team said her daughter *'is absolutely loving football and meeting all the girls'*. With participation rates in girls' and women's football increasing 35% in the past five years, it is not hard to see why girls are so enthusiastic about playing the beautiful game.

## 16<sup>TH</sup> GRADE GIRLS

The 16th grade team has kept a core group of girls for the last few years which has been fantastic for their development and confidence. They have become a great group of friends, eager to learn and improve.

The last couple of seasons especially have been very successful in terms of results, but also in how they have consistently improved. They are off to a winning start again this season, winning their first three games.

Several of the team now also volunteer as coaches with the younger girls, which has been great for their development and for the younger girls.
